

We are now teaching the new **statutory** Relationships & Sex Education programme of study in line with Government and Diocese guidance.

The healthy families team are booked to come into school in the Spring term to deliver the puberty element of the programme to our upper junior children.

If any parent is worried or has questions about our RSE programme and how it is implemented please do not hesitate to email me on [head@horwichparish.net](mailto:head@horwichparish.net) and a member of our school leadership team will be available to talk to you confidentially.

Very soon we will be uploading onto the website a list of resources for parents to use to support discussions and conversations at home.

We can also signpost parents to our school nurse so please do get in touch if you would like some advice.

If you wish to withdraw your child from our RSE lessons please complete the withdrawal letter from the website and return it to school addressed to myself.

Mrs Mills
