

Book Recommendations

Mrs Mills recommends this book:

Chilly Billy is a tiny man with big ears who lives in the refrigerator and gets "warmus" instead of colds. Once you've met Chilly Billy and heard of his adventures inside the refrigerator, you'll never open the fridge door in quite the same way again! Chilly Billy is a fun and lovable character you won't forget and I have read this book to hundreds of children and the children love Chilly Billy and their response is always the same...please miss carry on reading it!
